

## About Us

### About NexaCare

NexaCare is an international healthcare career solutions company based in Bengaluru, India, specializing in preparing and placing skilled healthcare professionals across India and global markets.

We work closely with recruitment agencies, hospitals, healthcare groups, and educational institutions to build a reliable pipeline of qualified candidates for both domestic and international employment opportunities.

### What We Do

1. Domestic Placements: Place nurses and healthcare staff in hospitals, clinics, home-care, and elder-care across India
2. International Placements: Germany, Gulf countries - KSA, UAE, Qatar and other global markets
3. Provide language training - German, IELTS, and other required languages
4. Conduct candidate screening and documentation support
5. Prepare candidates for interviews and licensing requirements
6. Support visa documentation and pre-departure readiness
7. Coordinate with domestic and international recruitment partners throughout the hiring process
